

## School of the Arts

Students applying to the School of the Arts submit a single application for admission to the university AND the School of the Arts. This application includes an art component, i.e., a visual portfolio for visual art programs or an audition for the performing art programs. Please refer to the following website for more information about admission requirements:

<http://www.ugrad.vcu.edu/apply/instructions/arts/index.html>.

The recommended courses below fulfill general education requirements. Prospective art students are also encouraged to take 100-level art classes to help develop their work and build their portfolios for application to VCU's School of the Arts.
