

Occupational Therapy

VCU offers an entry-level Master of Science in Occupational Therapy (M.S.O.T.) designed for students entering their senior year of college, with 90 semester credits, or those students with a B.S. degree who wish to become occupational therapists. The following prerequisite courses are necessary for admission to the Occupational Therapy Program. More information about the admissions requirements can be found at: <http://www.vcu.edu/uc/prehealth/VCUUC-Pre-OccupationalTherapy.htm>.
