

Transfer Pathways to VCU (2016-17) Reynolds Community College

Virginia Commonwealth University welcomes applications from Reynolds Community College students. VCU encourages students to participate in the Guaranteed Admission Agreement (GAA) that VCU has established with the Virginia Community College System. Students who complete a General Education Certificate and/or a transfer-oriented Associates degree, with a minimum GPA of 2.5, with no grades below a C in all transferable courses, are guaranteed general admission to VCU.

Admission into the following baccalaureate programs at VCU is **NOT** guaranteed by the GAA:

- All baccalaureate degree programs in the School of Allied Health Professions;
- All baccalaureate degree programs in the School of the Arts;
- All baccalaureate degree programs in the School of Engineering;
- Bachelor of Science in Dental Hygiene;
- Bachelor of Science in Nursing

Certain VCU programs have also developed articulation agreements with Reynolds degree programs. In most cases, these articulation agreements specify the course sequence that Reynolds students should complete prior to transferring to VCU.

More information about our transfer agreements, including the Guaranteed Admission Agreement, is located at: <http://www.ugrad.vcu.edu/apply/transfer/agreements.html>. "Students planning on transferring to VCU under the Guaranteed Admission Agreement must sign the "Letter of Interest" after completing 15 credits and more than 90 days before completing a transfer-oriented Associates degree. <http://ugrad.vcu.edu/apply/transfer/letter-of-interest.aspx>

By carefully selecting an appropriate degree program at Reynolds and completing certain required courses for that degree program, students can fulfill the introductory-level requirements of the first one or two years for most baccalaureate degree programs at VCU. The following pages provide specific course recommendations for students enrolled in those degree programs that correspond to the Reynolds curricular requirements for those degrees.

1. General Education Certificate (page 3):

Appropriate for all students who wish to transfer to VCU in less than two years. This is particularly appropriate for undecided students or prospective art students. Although the Certificate is appropriate for prospective art students at VCU, it does not guarantee admission into the School of the Arts. Prospective art students should review admission requirements at: <http://arts.vcu.edu/admissions/how-to-apply/>

2. Associate of Science in Business Administration (page 4):

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/BusinessAdministration.pdf>

Appropriate for prospective majors in Accounting, Business Administration and Management, Economics (Business), Finance, Financial Technology, Human Resource Management, Information Systems, Marketing, or Real Estate.

3. Associates of Science in Engineering (page 5):

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/EngineeringComputerScience-JSRCC.pdf>

Appropriate for prospective majors in Biomedical Engineering, Chemical and Life Science Engineering, Computer Engineering, Electrical Engineering, and Mechanical Engineering.

4. Associates of Science in Science: Computer Science Specialization (page 6):

Articulation (GAA) agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/EngineeringComputerScience-JSRCC.pdf>

Appropriate for prospective majors in Computer Science.

5. Associate of Arts in Liberal Arts (page 7):

Appropriate for prospective majors in English, Foreign Language (French, German, Spanish), History, Homeland Security, International Studies, and Political Science.

6. Associate of Science in Social Science (page 8):

Appropriate for prospective majors in African-American Studies, Anthropology, Criminal-Justice, Economics (Humanities & Science), Gender, Sexuality & Women's Studies, Mass Communications, Philosophy, Psychology, Religious Studies, Social Work, Sociology, Urban and Regional Studies.

7. Associate of Science in Social Science: Teacher Preparation (page 9):

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/ReynoldsTeacherPreparationAgreement.pdf>

Appropriate for students who wish to transfer to the major in Liberal Studies for Early and Elementary Education and complete the Extended Teacher Preparation Program in Elementary Education. Students who wish to teach Middle or High School should select one of the following majors: Biology, Chemistry, English, History, Mathematical Sciences, Physics, or Political Science.

8. Associate of Science in Science (page 10-12):

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/ReynoldsSciencesAgreement.pdf>

Appropriate for students who plan on transferring to the following majors at VCU: Bioinformatics, Biology, Chemistry, Environmental Studies, Forensic Science, Health, Exercise Science, Mathematical Sciences, Physics, and Science. This degree program is also suitable for students interested in Pre-dentistry, Pre-medicine, Pre-pharmacy, or Pre-physical Therapy (following the recommendations for Biology majors). However, students should refer to the health program's website for information concerning admission prerequisites and adjust the course selection accordingly. **NOTE: Completing the associate degree does not guarantee acceptance into these health programs.**

9. Recommended courses for the VCU Health Science Programs (page 13-18):

For students interested in applying for one of the following Health Science programs at VCU: Clinical Laboratory Sciences, Dental Hygiene, Nursing, Occupational Therapy, and Radiation Science. Students should refer to the health program's website for information concerning admission prerequisites and adjust the course selection accordingly. **NOTE: Completing an associate degree does not guarantee acceptance into these health programs.**

10. Associate of Applied Science in Nursing:

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/Nursing.pdf>

11. Associate of Applied Science in Medical Laboratory Technology (MLT):

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/ClinicalLaboratorySciences-ClinicalRadiationSciences.pdf>

Transfer Pathways to VCU Degree Programs

General Education Certificate Reynolds Community College

<http://www.reynolds.edu/onlinecatalog/current/academic-programs/degrees-transfer/general-education.aspx#tab-2>

The General Education Certificate is designed for students who wish to transfer to VCU within a short period of time. By completing the Certificate with a minimum GPA of 2.5, with no grades below a C, students are guaranteed general admission to VCU.

COURSE	TITLE	CREDITS
SDV 100	College Success Skills (required for certificate but not transferable)	1
ENG 111	College Composition I	3
— —	Mathematics: Prospective business, engineering, health, or science majors should take MTH 163, MTH 166, or MTH 173. Other majors should take MTH 163 or MTH 170.	3
— —	Humanities/Fine Arts Elective	3
— —	Social/Behavioral Science Elective: PSY 200, SOC 200, 210, 211, or PLS 211	
— —	Laboratory Science: BIO 101, 106, 107, CHM 101, 111, GOL 105, PHY 101 Prospective engineering, health, or science majors should take BIO 101.	4
TOTAL		17
— —	Humanities/Fine Arts Elective	3
ENG 112	College Composition II	3
— —	Social/Behavioral Science Electives	6
— —	Laboratory Science elective Prospective engineering, health, or science majors should take CHM 111.	4
TOTAL		16
Total Minimum Credits for General Education Certificate		33

Although the Certificate is appropriate for prospective art students at VCU, it does not guarantee admission into the School of the Arts. Prospective art students should review admission requirements at: <http://arts.vcu.edu/admissions/how-to-apply/>

The following art classes are recommended for prospective visual art students: ART 101-102, 121-122.

**Associate of Science: Business Administration
Reynolds Community College**

http://www.reynolds.edu/onlinecatalog/current/academic-programs/degrees-transfer/business_administrations.aspx#tab-2

The Associates of Science in Business Administration is designed for students who plan on transferring to the following majors at VCU: Accounting, Business Administration and Management, Finance, Human Resource Management, Economics, Financial Technology, Information Systems, Marketing, or Real Estate.

COURSE	TITLE	CREDITS
ENG 111	College Composition I	3
HIS ____	United States History or History of Western Civilization	3

**Associate of Science: Science
Reynolds Community College**

<http://www.reynolds.edu/onlinecatalog/current/academic-programs/degrees-transfer/scienceas.aspx#tab-2>

The Associates of Science in Science is designed for students who plan on transferring to the following majors at VCU: Bioinformatics, Biology, Chemistry, Environmental Studies, Forensic Science, Mathematical Sciences, Physics, and Science. This degree program is also suitable for students interested in Pre-dentistry, Pre-medicine, Pre-pharmacy, or Pre-physical Therapy (following the recommendations for Biology majors). However, students should refer to the health program's website for information concerning admission prerequisites and adjust the course selection accordingly. **NOTE: Completing the associate degree does NOT guarantee acceptance into these health programs.**

Pre-dentistry: <http://www.dentistry.vcu.edu/programs/dds/admissioncriteria/>

Pre-medicine: <http://bulletin.vcu.edu/undergraduate/undergraduate-study/academic-advising/prehealth-prelaw-advising/preparation-study-medicine/>

Pre-pharmacy: <http://pharmacy.vcu.edu/programs/pharmd/prospective/prereq/>

Pre-physical Therapy: <http://www.sahp.vcu.edu/departments/pt/prospective-students/dpt-professional-degree/admission-requirements/prerequisites/>

Recommended Courses for Exercise Science

Students interested in Exercise Science are eligible for the Guaranteed Admission Agreement but should complete the recommended courses listed in this section. The AS in Science is the most suitable associate degree.

English (6 credits)	ENG 111-112
General Biology (4 credits)	BIO 101
Anatomy and Physiology (8 credits)	BIO 231-232
Pre-Calculus or Calculus (3 credits)	MTH 164 OR MTH 173
Statistics (3 credits)	MTH 240
General Chemistry (4 credits)	CHM 111
General Physics (4 credits)	PHY 201
General Psychology (3 credits)	PSY 200
Developmental Psychology (3 credits)	PSY 230

All these majors have a foreign language requirement. This requirement can be fulfilled by means of completion of the 102-level of a language or waived if the student completed 3 years of the same foreign language at high school.

Recommended Courses for the Health Science Programs at VCU Reynolds Community College

The following recommended courses are for students interested in applying to a Health Science, Exercise Science, or Physical Education programs at VCU. For more information concerning the admission requirements for the health programs, students should consult the admissions websites for the health program. **NOTE: Completing an associate degree does not guarantee acceptance into these health programs.**

Recommended Courses for Clinical Laboratory Science

<http://sahp.vcu.edu/departments/cls/admissions/undergraduate/>

The basic requirements for admission to the **baccalaureate program** are as follows: students with no previous clinical laboratory training must have completed at least **60 semester hours** at an accredited college or university, including;

<p>Biology: 12 hours to include general biology. Human physiology & anatomy recommended: BIO 101-102 and BIO 141-142</p>
<p>Chemistry: 12 hours to include 8 hours of general chemistry. CHM 111-112 and CHM 241 + CHM 245</p>
<p>English: 6 hours of composition. ENG 111-112</p>
<p>Mathematics: 3 hours. Additional mathematics or physics recommended. MTH 166</p>
<p>Humanities/Arts: 3 hours (selected from courses in history, philosophy, political science, religion, foreign languages, literature, art history, or art appreciation).</p>
<p>Social Sciences: 3 hours (selected from courses in anthropology, economics, geography, psychology, or sociology).</p>
<p>Electives: 21 hours of transferable electives</p>

Recommended Courses for Dental Hygiene

<http://www.dentistry.vcu.edu/programs/dentalhygiene/admission/>

The basic requirements for admission to the **baccalaureate program** are as follows: students must have completed at least **60 semester hours** at an accredited college or university, including;

English (6 credits)	ENG 111-112
General Biology with laboratory (4 credits)	BIO 101
College Chemistry with laboratory (4 credits)	CHM 111
Human Anatomy and Human Physiology (8 credits)	BIO 141-142 or BIO 231-232
Microbiology (4 credits)	BIO 205
Humanities/Arts: 3 hours (selected from courses in history, philosophy, political science, religion, foreign languages, literature, art history, or art appreciation).	
Introductory Sociology (3 credits)	SOC 200
Introductory Psychology (3 credits)	PSY 200
Speech (3 credits)	CST 100 or CST 110
Statistics (3 credits)	MTH 240
Visual or performing art (3 credits)	ART elective
Electives: 18 credits of transferable electives	

Recommended Courses for Nursing (Traditional B.S. Program)

<http://bulletin.vcu.edu/undergraduate/nursing/nursing-bs-traditional-program/#programadmissionrequirementstext>

Admission Requirements – To be considered for the Traditional BS track, applicants must:

- Be eligible for readmission or be in good standing at the last college attended.
- Have a minimum cumulative GPA of 2.5 on all college coursework.
- Have either a minimum SAT of 900 (on the critical thinking and math sections only with neither score below 400) or ACT composite score of 19. Send test scores directly to VCU (SAT code: 5570. ACT code: 4379).

English (6 credits)	ENG 111-112
Psychology (3 credits)	PSY 200
Sociology (3 credits)	SOC 200
General Biology (4 credits)	BIO 101
Anatomy and Physiology (8 credits)	BIO 141-142
Nutrition (3 credits)	DIT 121
Second Laboratory Science (4 credits)	BIO 102, CHM 111, or PHY 201
(4 credits must be college chemistry if applicant did not receive a “C” or better in a high school or developmental chemistry course)	

Recommended Courses for Nursing (R.N. – B.S. Completion Program)

<http://bulletin.vcu.edu/undergraduate/nursing/nursing-bs-rn-bs-completion-program/#programadmissiontext>

Articulation agreement: <http://www.ugrad.vcu.edu/pdfs/transfer/Nursing.pdf>

Admission Requirements – To be considered for the RN-BS Completion Program, applicants must:

- Be eligible for readmission or be in good standing at the last college attended.
- Be a graduate of an accredited (NLNAC) diploma or associate degree program in nursing.
- Have current unencumbered RN license or an authorization to practice as an RN in Virginia, the District of Columbia or a US possession or territory.
- Have a minimum cumulative GPA of 2.5 on all college coursework.

English (6 credits)	ENG 111-112
Psychology (3 credits)	PSY 200
Sociology (3 credits)	SOC 200
Statistics (3 credits)	MTH 240
Anatomy and Physiology (8 credits)	BIO 141-142
Laboratory Science I (4 credits)	BIO 101, CHM 111, or PHY 201
*Second Laboratory Science (4 credits)	BIO 102 or CHM 112, or PHY 201 (4 credits must be college chemistry if applicant did not receive a “C” or better in a high school or developmental chemistry course)
Developmental Psychology (3 credits)	PSY 230
Microbiology (4 credits)	BIO 205
Nutrition (3 credits)	DIT 121
Philosophy (3 credits)	PHI elective
Humanities Electives (9 credits): selected from courses in history, philosophy, political science, religion, foreign languages, literature, art history, or art appreciation.	

Recommended Courses for Occupational Therapy

<http://www.sahp.vcu.edu/departments/occu/programs/entry-level-otd/prerequisite-courses/>

The basic requirements for admission is a minimum of 90 credits of undergraduate study (at least 15 or more credits must be in upper-level courses) or of a B.A. or B.S. degree from an accredited college or university. The 90 credits must include,

English (6 credits)	ENG 111-112
Anatomy and Physiology (8 credits)	BIO 141-142
Statistics (3 credits)	MTH 240
Developmental Psychology (3 credits)	PSY 230
Abnormal Psychology (3 credits)	PSY 215
Other Psychology or Sociology courses (9 credits)	

Recommended Courses for Radiation Science

<http://www.sahp.vcu.edu/departments/radsci/admissions-and-prerequisites/>

The basic requirements for admission to the **baccalaureate program** are as follows:

English (6 credits)	ENG 111-112
Anatomy and Physiology (8 credits)	BIO 141-142
College Algebra (3 credits)	MTH 163
Physics (4 credits)	PHY 100 or 101 or 102 or 111 or 112 or 201
General Psychology (3 credits)	PSY 200
Humanities Elective (3 credits): selected from courses in history, philosophy, political science, religion, foreign languages, literature, art history, or art appreciation.
