

Transfer Pathways to VCU (2016-17) Virginia Western Community College (VWCC)

Virginia Commonwealth University welcomes applications from Virginia Western Community College students. VCU encourages students to participate in the Guaranteed Admission Agreement (GAA) that VCU has established with the Virginia Community College System. Students who complete a General Education Certificate and/or a transfer-oriented Associates degree, with a minimum GPA of 2.5, with no grades below a C in all transferable courses, are guaranteed general admission to VCU. **Please note: this agreement does not guarantee admission to professional or specialized programs such as art, engineering, or health programs.**

More information about our transfer agreements, including the Guaranteed Admission Agreement, is located at: <http://www.ugrad.vcu.edu/apply/transfer/agreements.html>. Students planning on transferring to VCU under the Guaranteed Admission Agreement must sign the "Letter of Interest" after completing 15 credits ([http://www.ugrad.vcu.edu/pdfs/VCCS-VCU Interest in Transferring Form.pdf](http://www.ugrad.vcu.edu/pdfs/VCCS-VCU%20Interest%20in%20Transferring%20Form.pdf)).

By carefully selecting an appropriate degree program at Virginia Western and completing certain required courses for that degree program, students can fulfill the introductory-level requirements of the first one or two years for most baccalaureate degree programs at VCU. The following pages provide specific course recommendations for students enrolled in those degree programs that correspond to the Virginia Western curricular requirements for those degrees.

1. General Education Certificate (page 3):

Appropriate for all students who wish to transfer to VCU in less than two years. This is particularly appropriate for undecided students or prospective art students. Although the Certificate is appropriate for prospective art students at VCU, it does not guarantee admission into the School of the Arts. Prospective art students should review admission requirements at: <http://arts.vcu.edu/admissions/how-to-apply/>

2. Associate of Science in Business Administration (page 4):

Appropriate for prospective majors in Accounting, Business Administration and Management, Economics (Business), Finance, Financial Technology, Human Resource Management, Information Systems, Marketing, or Real Estate.

3. Associates of Science in Engineering (page 5):

Appropriate for prospective majors in Biomedical Engineering, Chemical and Life Science Engineering, Computer Engineering, Electrical Engineering, and Mechanical Engineering.

4. Associates of Science in Engineering: Computer Science Specialization (page 6):

Appropriate for prospective majors in Computer Science.

5. Associate of Science in General Studies (page 7):

Appropriate for prospective majors in Mass Communications.

6. Associate of Arts in Liberal Arts (page 8):

Appropriate for prospective majors in Art History, Cinema, English, Foreign Language (French, German, Spanish), History, Homeland Security, International Studies, Mass Communications and Political Science.

7. Associate of Arts in Liberal Arts: Fine Arts Specialization (page 9):

Appropriate for prospective majors in Art Education.

8. Associate of Science in Science (page 10-11):

Appropriate for students who plan on transferring to the following majors at VCU: Bioinformatics, Biology, Chemistry, Environmental Studies, Forensic Science, Health, Exercise Science, Physics, and Science. This degree program is also suitable for students interested in Pre-dentistry, Pre-medicine, Pre-pharmacy, or Pre-physical Therapy (following the recommendations for Biology majors). However, students should refer to the health program's website for information concerning admission prerequisites and adjust the course selection accordingly. **NOTE: Completing the associate degree does not guarantee acceptance into these health programs.**

9. Associate of Science in Science: Mathematics Specialization (page 12):

Appropriate for prospective majors in Mathematical Sciences and Statistics.

10. Associate of Science in Social Sciences (page 13):

Appropriate for prospective majors in African-American Studies, Anthropology, Criminal Justice, Economics (Humanities & Science), Gender, Sexuality & Women's Studies, Philosophy, Psychology, Religious Studies, Social Work, Sociology, and Urban and Regional Studies.

11. Associate of Science in Social Sciences: Education Specialization (page 14):

Appropriate for students who wish to transfer to the major in Liberal Studies for Early and Elementary Education and complete the Extended Teacher Preparation Program in Elementary Education. Students who wish to teach Middle or High School should select one of the following majors: Biology, Chemistry, English, History, Mathematical Sciences, Physics, or Political Science.

12. Recommended courses for the VCU Health Science Programs (page 15-20):

For students interested in applying for one of the following Health Science programs at VCU: Clinical Laboratory Sciences, Dental Hygiene, Nursing, Occupational Therapy, and Radiation Science. Students should refer to the health program's website for information concerning admission prerequisites and adjust the course selection accordingly. **NOTE: Completing an associate degree does not guarantee acceptance into these health programs.**

**General Education Certificate
Virginia Western Community College**

http://catalog.virginiawestern.edu/preview_program.php?catoid=2&poid=148&returnto=191

The General Education Certificate is designed for students who wish to transfer to VCU within a short period of time. By completing the Certificate with a minimum GPA of 2.5, with no grades below a C, students are guaranteed general admission to VCU.

COURSE	TITLE	CREDITS
SDV 100	College Success Skills (required for certificate but not transferable)	1
ENG 111	College Composition I	3
HIS ____	US History I or History of World Civilization I	3
____ ____	Mathematics: Prospective business, engineering, health, or science majors should take MTH 163, MTH 166, or MTH 173. Other majors should take MTH 152 or MTH 163.	3
____ ____	Humanities/Fine Arts Elective	3
____ ____	Laboratory Science: BIO 101, CHM 111, GOL 105, PHY 201 Prospective health or science majors should take BIO 101 Prospective engineering majors should take CHM 111	4
TOTAL		17
ENG 112	College Composition II	3
HIS ____	US History II or History of World Civilization II	3

**Associate of Science: Science
Virginia Western Community College**

http://catalog.virginiawestern.edu/preview_program.php?catoid=2&poid=96&returnto=191

Appropriate for students who plan on transferring to the following majors at VCU: Bioinformatics, Biology, Chemistry, Environmental Studies, Forensic Science, Health, Exercise Science, Physics, and Science. This degree program is also suitable for students interested in Pre-dentistry, Pre-medicine, Pre-pharmacy, or Pre-physical Therapy (following the recommendations for Biology majors). However, students should refer to the health program's website for information concerning admission prerequisites and adjust the course selection accordingly. **NOTE: Completing the associate degree does not guarantee acceptance into these health programs.**

Pre-dentistry: <http://www.dentistry.vcu.edu/programs/dds/admissioncriteria/>

Pre-medicine: <http://bulletin.vcu.edu/undergraduate/undergraduate-study/academic-advising/prehealth-prelaw-advising/preparation-study-medicine/>

Pre-pharmacy: <http://pharmacy.vcu.edu/programs/pharmd/prospective/prereq/>

Pre-physical Therapy: <http://www.sahp.vcu.edu/departments/pt/prospective-students/dpt-professional-degree/admission-requirements/prerequisites/>

Recommended Courses for Exercise Science

Students interested in Exercise Science are eligible for the Guaranteed Admission Agreement but should complete the recommended courses listed in this section. The AS in Science is the most suitable associate degree.

English (6 credits)	ENG 111-112
General Biology (4 credits)	BIO 101
Anatomy & Physiology (8 credits)	BIO 141-142
Pre-Calculus or Calculus (3-4 credits)	MTH 164 or MTH 173
Statistics (3 credits)	MTH 157
General Chemistry (4 credits)	CHM 111
General Physics (4 credits)	PHY 201
General Psychology (3 credits)	PSY 200
General Sociology (3 credits)	SOC 200

COURSE	TITLE	CREDITS
ENG 111	College Composition I	3
___ ___	Health or Physical Education	1
ITE 115 or CSC 201	Intro to Computer Applications and Concepts or Computer Science I	3-4
MTH 166	Pre-Calculus with Trigonometry	5

Recommended Courses for the Health Science Programs at VCU Virginia Western Community College

The following recommended courses are for students interested in applying to a Health Science or Exercise Science program at VCU. For more information concerning the admission requirements for the health programs, students should consult the admissions websites for the health program.

NOTE: Completing an associate degree does not guarantee acceptance into these health programs.

Recommended Courses for Clinical Laboratory Science

<http://sahp.vcu.edu/departments/cls/admissions/undergraduate/mcv-campus/>

The basic requirements for admission to the **baccalaureate program** are as follows: students with no previous clinical laboratory training must have completed at least **60 semester hours** at an accredited college or university, including;

<p>Biology: 12 hours to include general biology. Human physiology & anatomy recommended: BIO 101-102 and BIO 141-142</p>
<p>Chemistry: 12 hours to include 8 hours of general chemistry. CHM 111-112 and CHM 241 + CHM 245</p>
<p>English: 6 hours of composition. ENG 111-112</p>
<p>Mathematics: 3 hours. Additional mathematics or physics recommended. MTH 166</p>
<p>Humanities/Arts: 3 hours (selected from courses in history, philosophy, political science, religion, foreign languages, literature, art history, or art appreciation).</p>
<p>Social Sciences: 3 hours (selected from courses in anthropology, economics, geography, psychology, or sociology).</p>
<p>Electives: 21 hours of transferable electives</p>

Recommended Courses for Dental Hygiene

<http://www.dentistry.vcu.edu/programs/dentalhygiene/admission/>

The basic requirements for admission to the **baccalaureate program** are as follows: students must have completed at least **60 semester hours** at an accredited college or university, including;

English (6 credits)	ENG 111-112
General Biology with laboratory (4 credits)	BIO 101
College Chemistry with laboratory (4 credits)	CHM 111
Human Anatomy and Human Physiology (8 credits)	BIO 141-142
Microbiology (4 credits)	BIO 205
Humanities/Arts: 3 hours (selected from courses in history, philosophy, political science, religion, foreign languages, literature, art history, or art appreciation).	
Introductory Sociology (3 credits)	SOC 200
Introductory Psychology (3 credits)	PSY 200
Speech (3 credits)	CST 100 or CST 105
Statistics (3 credits)	MTH 157 or 241
Visual or performing art (3 credits)	ART elective
Electives: 18 credits of transferable electives	

Recommended Courses for Nursing (Traditional B.S. Program)

<http://bulletin.vcu.edu/undergraduate/nursing/nursing-bs-traditional-program/#programadmissionrequirementstext>

Admission Requirements – To be considered for the Traditional BS track, applicants must:

- Be eligible for readmission or be in good standing at the last college attended.
- Have a minimum cumulative GPA of 2.5 on all college coursework.
- Have either a minimum SAT of 900 (on the critical thinking and math sections only with neither score below 400) or ACT composite score of 19. Send test scores directly to VCU (SAT code: 5570. ACT code: 4379).

English (6 credits)	ENG 111-112
Psychology (3 credits)	PSY 200
Sociology (3 credits)	SOC 200
General Biology (4 credits)	BIO 101
Anatomy and Physiology (8 credits)	BIO 141-142
Nutrition (3 credits)	HLT 230
Second Laboratory Science (4 credits)	BIO 102, CHM 111, or PHY 201
(4 credits must be college chemistry if applicant did not receive a “C” or better in a high school or developmental chemistry course)
